## KANSAS CITY MARKET

Kansas City Stock Yards, Feb. 14.—Demand for fat cattle today was fairly active at strong to 25 cents higher prices, mostly 15 cents higher than the advance reported late last week. Killers held fairly good order. Receipts were about normal for this season of the year. Hogs rallied 15 to 25 cents and were fully 50 cents above the low point last week. Sheep and lambs sold slowly at 25 cents lower prices.

## Today's Receipts

Receipts today were 9,000 cattle, 12,000 hogs, and 14,000 sheep, compared with 7,500 cattle, 10,000 hogs, and 12,000 sheep a week ago, and 10,000 cattle, 13,000 hogs, and 9,000 sheep a year ago.

## Beef Cattle

Though rather slow at the start trade in fat cattle finally became active with prices strong to 25 cents higher. Medium weight fat steers predominated and they were well suited to killers' orders. The beef situation throughout the east showed a moderate improvement, but outlet channels are still small owing to the Lenten season. Lower beef prices are bringing some increase in demand from other sources. Feeders are showing a disposition to nurse the market with lighter receipts. The bulk of the fat steers today sold at \$7.50 to \$8.25, fat cows \$5.25 to \$6.25, and heifers \$5.50 to \$6.50. Veal calves were higher.

## Stockers and Feeders.

Demand for stock and feeding cattle was about normal for this season of the year. The best outlet is for cattle suitable for roughing through to grass. Some fleshy feeders are selling up to \$8.00 and choice stockers as high as \$7.50.

## Hogs

Hog price after falling to new low levels last Thursday strengthened again on Friday and gained 15 to 25 cents today, taking the price level, 50 cent above last Thursday. Receipts were

moderate. Shipping demand is active and packers are buying freely, so that the market is in a strong position. The top price was \$9.55, bulk of sales \$8.50 to \$9.50. Pigs sold up to \$10.00.

## Sheep and Lambs

Further declines developed in the sheep division and prices reached new low levels for several years past. In most cases prices were down 25 cents. The top price for lambs was \$8.00, and ewes \$4.25. Heavy lambs sold at \$6.50 to \$7.50.

## Horses and Mules

Demand for horses and mules showed a further moderate improvement today. Prices were quoted stronger. Farm demand is increasing.
